

TEXTILE AND FASHION HUB

Want to update your wardrobe in time for summer... for free?!

The Clothing Exchange is a professional swapping service that promotes the simple notion of swapping instead of shopping for a better wardrobe and better world.

Swappers can bring up to six good quality items to exchange at the event; everything from designer wear to good quality basic garments from local high street stores, vintage pieces and accessories. This is a free event.

Monday 10th December, 2012

- 5:30 to 6.00pm check in garments
- 6:00 to 7:30pm garment swapping
